## Introduction

Evaluation biases and intertemporal choice: aspects of the temporal nature of decision-making.....	1
--	---

## Chapter 1

<b>Theory of Mind: an overview .....</b>	<b>7</b>
1.1. Theory of Mind: definitions and functions.....	8
1.2. The adaptive value of Theory of Mind.....	11
1.3. The development of Theory of Mind.....	13
1.4. Theories on Theory of Mind.....	20
1.5. Theory of Mind and attachment.....	24
1.6. Theory of Mind and language.....	30
1.7. A new direction of research: the neural basis of Theory of Mind.....	33

## Chapter 2

<b>Decision and biases: hindsight bias and outcome bias.....</b>	<b>39</b>
2.1. Economics and Psychology: main theories on decision making.....	39
2.2. The process of decision-making evaluation.....	42
2.3. The hindsight bias.....	45
2.4. The outcome bias.....	52

---

2.5. Hindsight bias, outcome bias and Theory of Mind.....	55
2.6. Hindsight bias and outcome bias in children.....	58

### **Chapter 3**

<b>Intertemporal choice.....</b>	<b>68</b>
----------------------------------	-----------

3.1. Intertemporal choice from an economic perspective: the Discounted Utility model.....	70
3.2. Intertemporal choice from a psychological perspective.....	75
3.2.1. The Theory of Goals.....	75
3.2.2. The neural basis of intertemporal choice.....	77
3.3. Intertemporal choice in a life-span perspective.....	83
3.3.1. Children.....	84
3.3.2. A comparison between adolescents, adults and elderly.....	95
3.4. Delay of gratification and cognitive dimensions: executive control and Theory of Mind.....	97
3.5. Delay of gratification and affective dimensions: attachment and maternal behavior.....	102
3.6. Intertemporal choice in atypical conditions.....	108

### **Chapter 4**

<b>Hindsight bias, outcome bias and Theory of Mind: a research in school-age children.....</b>	<b>112</b>
--	------------

4.1. Introduction.....	112
------------------------	-----

4.2. Method.....	115
4.2.1. Aims.....	115
4.2.2. Participants.....	116
4.2.3. Design and procedure.....	117
4.3. Results.....	120
4.4. Discussion and conclusion.....	124

## **Chapter 5**

### **Intertemporal choice, Theory of Mind and attachment: a research in school-age children.....**

5.1. Introduction.....	128
5.2. Method.....	130
5.2.1. Aims.....	130
5.2.2. Participants.....	132
5.2.3. Design and procedure.....	132
5.3. Results.....	138
5.4. Discussion and conclusion.....	141

### **General conclusions.....**
